Mardi Gras Basket Auction Donations

Your help is needed to make this year's Mardi Gras auction another great success. Each year the students help to create wonderful gift baskets for the Basket Auction. Students can donate an item(s) for one or both of the themes listed for their grade. The classroom baskets will be made according to the themes for each grade level and will be raffled off at the Basket Auction.

Collection boxes for donated items will be in the classrooms from January 22, 2018 - Friday, February 2, 2018

Remember that donating to these baskets is voluntary. All proceeds from the basket auction directly benefit Lincoln School students. Thank you in advance for your generous and creative donations. Please feel free to email Anne Nagle (alahoda@gmail.com) with any questions.
